

# Group Triple P Positive Parenting Course

Parents with children aged 12 months to 3 years are encouraged to attend a series of 5 sessions.

Participation in the program will assist parents to increase their enjoyment of the early parenting years and beyond.

The sessions will cover:

- teaching children new skills
- developing a positive relationship
- dealing with misbehaviour
- sharing ideas with other parents.

Maternal and Child Health Nurses with additional 'Triple P' provider qualifications conduct the 'Triple P' sessions. These sessions will run throughout 2018 over five consecutive weeks.

Please note: childcare is not provided.

**BOOK EARLY! Don't miss out!**
