Hours

Monday-Friday 9am-5pm

Service Description

CP Innovative Choices is a program that gives you choice and control in managing your own care. You choose your support workers, the hours they work and the type of support that they provide. The CPSN takes care of all of the employer obligations and provides you with support to manage your own home program. />CP Innovative Choices is a culturally safe program that empowers you to recruit support workers who suit your lifestyle and fit your values.
